WORK EXPRIENCE

FULL STACK INTERN

2025-26

YASHVITECH IT SOLUTIONS PVT LTD

Ramnagar Raipur Chhattisgarh

- Developed scalable REST APIs using Node.js, Express.js and Django REST Framework.
- Built responsive React applications integrated with backend services.
- Implemented JWT authentication and role-based authorization.
- Optimized API performance and improved application responsiveness.
- Collaborated with cross-functional teams to deliver production-ready features.

PROJECTS

Alkareem Tarbiyat Organizations (MERN Stack)

- Developed a full-stack, role-based web application with JWT authentication, OTP-based login, and secure REST APIs for Volunteers, Donors, and Members.
- Integrated Razorpay payment gateway for seamless online donations with secure transaction handling and user management.
- Designed and implemented scalable backend architecture, authentication/authorization, and API-driven workflows following modern web development best practices.
